

When are all these assignments due?!?!

Look at the “Calendar” in D2L. You should see something that looks like this:

The screenshot shows a D2L calendar interface. At the top, it says "Calendar | v" and "Wednesday, June 15, 2016". Below that is a section for "Upcoming events" with a dropdown arrow. The events listed are:

- JUN 16** 11:59 PM Introductions - Locked
- JUN 17** 11:59 PM Quiz 1 - Availability Ends
- JUN 18** 11:59 PM Quiz 2 - Availability Ends
- JUN 19** 11:59 PM Food Molecule - Locked
- JUN 20** 11:59 PM Candy Mass Dropbox - Due
- JUN 20** 11:59 PM Microwave Heating Dropbox -

This is a required “Discussion Board”. You must post and respond by the day and time that the board is “locked”. In this case, your Introduction post and 2 comments to others are due before 11:59pm on June 16th.

This is a “Quiz”. You must complete the quiz by the day and time that “Availability Ends”. In this case, you must complete the quiz before 11:59pm on June 17th.

This is a “Dropbox” for your lab assignments. You must upload your lab assignment to this Dropbox in D2L before it is “Due”. In this case, you must upload before 11:59pm on June 20th.
