

Do Not Open The Exam Until You Are Told To Do So

Fill in your **name** and **Dragon ID number** including all bubbles on the Scantron.

In the “**CODES**” section of the Scantron sheet, fill in “**124019**”

Mark the Scantron using only pencil. Mark carefully and, if necessary, erase completely.

Keep your Scantron covered during the exam and keep your eyes on your own exam. There will be no warnings given, looking at someone else’s exam or letting someone else look at your exam will result in a score of ZERO and will be reported.

Cell phones OFF and put away. Any cell phones that are visible or heard ringing or vibrating during the exam will result in a score of ZERO.

When you have finished the exam or when time is called, bring your exam to the front of the room and give your exam and Scantron to Dr. Bodwin.

Good luck!
